

DIRECTIONS: Take one softgel twice daily, or use as directed by your healthcare practitioner. Consult a healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

Whole E Complex features EVNol SupraBio™ full-spectrum palm tocopherol/tocotrienol complex. EVNol SupraBio's patented bio-enhancing technology has been shown to increase tocotrienol absorption rates in humans by an average of 250%. Tocotrienols confer unique health benefits not provided by tocopherols. This means Whole E Complex not only enables superior absorption but also provides more comprehensive vitamin E benefits than tocopherol-only formulas.*
