WARNING: USE ONLY AT BEDTIME. For adult use only. Not for use by children, teenagers, pregnant or lactating women. If you are under medical supervision, have a autoimmune disease, diabetes, a depressive disorder, epilepsy, leukemia or a lymphoproliferative disorder or are taking monoamine oxidase inhibitor drugs or corticosteroids such as cortisone or prednisone, consult with your physician before taking this product.

Melatonin is naturally released as darkness falls, signaling your body that it's time to sleep, though melatonin levels decrease as we age. Vitachew's Melatonin may help numerous conditions but has shown the most support in short-term regulation of sleep patterns, including jet lag.†

This product is manufactured under strict quality control guidelines; therefore, purity and label potency are guaranteed.
