Made in Turkey

Oregano oil is a powerful plant extract that helps maintain a healthy microbial balance, as well as promotes antioxidant and immune system benefits.* Origanum onites, one of the Oregano species, is rich in the main components of the plant, carvacrol and thymol. It has been shown that the effect of Oregano occurs thanks to those components. Orzax Oregano Oil contain 88% carvacrol and 0,3% thymol.
