

Magnesium is an essential mineral that plays a critical role in over 300 enzyme reactions in the human body. Orzax Magnesium Triple Complex contains three forms of magnesium, malate, glycinate and citrate, for optimal absorption and greater range of benefits.

Directions: As a dietary supplement, take 1 tablet daily, or as recommended by a physician.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTION : Keep this product out of the reach of children. Do not use damaged or open containers. Do not exceed the recommended dose. If pregnant, nursing or taking medication, consult your physician before use. Seek medical advice if an undesired effect is observed. Store at room temperature in a dry place.
