450 GRAMS

EVP™ is the synthesis of pharmaceutical technology, nutraceutical ingenuity and the science of elite performance nutrition. **EVP's** precise formulation was specifically designed with ingredients to increase muscle size and fullness, enhance strength and boost mental focus. **EVP** is the COMPLETE PRE-WORKOUT SOLUTION.†

EVP's combination of key pharmaceutical and medical-grade, ultra-pure ingredients results in the most advanced pre-workout compound available. FUSIL, the driving force behind **EVP's** powerhouse formula, is pharmaceutical grade fermented L-Leucine of the highest quality, made ultra-soluble for maximum absorption. **EVP** is caffeine and stimulant-free as these substances are vasoconstrictors, and would diminish the desired effects. **EVP** is carbohydrate-free, and contains no fillers.†

EVP represents the future of physique- and performance-enhancing technology. With ingredients proven by science, perfected by research and tested on world-class athletes, there is no other product like **EVP**.†
