Improved Focus & Clarity*

ReCODE Type 5 provides the brain with key nutrients that promote its inherent processes for regeneration and plasticity.* It includes ingredients that promote mental performance and healthy circulation to ensure nutrient delivery to targeted cells.*

Key Ingredients

Acetyl-L-Carnitine HCl – Soothes nerve inflammation and promotes brain and nerve health*

Ginkgo Biloba – Promotes healthy circulation and enhances blood flow to the brain*

Phosphatidylcholine – Converts to acetylcholine, an important neurotransmitter, to conduct messages to and from the brain*

Phosphatidylserine – A component of cell membranes, it plays an important role in cellular health, especially in the brain*
