

**Fast-Acting, Long-Lasting
Time-Release Formula**

**Coated Tablets Eliminate
the Bitter Taste Common
with Energy Shots**

**Less Than Half the Cost of
Energy Shots per Serving**

Developed by a doctor,
just two **ENERGIZE** tablets in the morning
gives you the fast-acting energy you
need to get through your busy day.
ENERGIZE delivers the caffeine
of most energy products, but its
time-release formula has been shown
in a clinical study to last up to eight hours.
So there is **No Rush** at the start,
No Jitters, and **No Sugar Crash**.^A

RECOMMENDED USE:

For all-day energy, and to reduce fatigue:
swallow 2 ENERGIZE tablets with a full
glass of water. Begin use with one-half
the recommended dose for the first week
(one tablet once a day). Do not exceed
more than 2 tablets (1 serving) in any
24-hour period.

WARNING:

KEEP OUT OF REACH OF CHILDREN.
Not intended for use by persons under
the age of 18. Consult with your primary
physician prior to use if you have any
pre-existing medical conditions, including
high blood pressure, thyroid problems,
nervous disorders, or if you are using
MAO inhibitors or taking any prescription
drugs. Each sustained-release tablet
contains 98 mg of caffeine. Individuals
who are sensitive to caffeine should
begin use with one-half the recom-
mended dosage and limit the use of
other caffeine-containing foods and
drinks while taking this product because
too much caffeine may cause nervous-
ness, irritability, and sleeplessness.
Do not use if pregnant or lactating.
Foil blister pack ensures safety and
freshness. Do not use if tamper evident
foil seal over tablet is broken.
