

INCREDIBLE TASTING WHEY ISOLATE PROTEIN POWDER

ISOFUSION is an absolutely delicious whey protein isolate formulation utilizing a revolutionary triple cold-filtration process. This amazing technological breakthrough allows for the highest quality of protein to ensure rapid bioavailability to keep the native protein ratios intact. Even better, this innovative processing allows for a much higher glycomacropeptide content than old school ion exchange processing. This important peptide is high in branched chain amino acids and has many benefits for your desired body composition.[†]

In the end you have nothing more than a great tasting protein perfection which leaves you nothing but satisfied. This is why ISOFUSION has set the new standard for high quality whey protein isolates for all elite athletes and health enthusiasts around the world.

BUILD CONFIDENCE. BUILD STRENGTH.
BUILD YOURSELF.
