DELTA 8 THC | 20 MG

Breathable Dry Powder

Containing high purity Delta 8 with proven pharmaceutical technology, we've created a new approach to Delta 8 THC.

Experience a precise, pure, clean and fast-acting dose that provides a prolonged effect without all the concerns associated with smoking or vaping.

Suggested Use

Load 1 capsule into the inhaler. Firmly press and release the side buttons, then inhale through the mouth piece. You may need to inhale 2-3 times to get the complete dose.

Warning

Consult with your healthcare provider before using. Not recommended if you are nursing, pregnant, or taking other medication. If adverse reactions occur, discontinue use and consult with your physician.
