at room temperature. Keep
out of reach of children.
Opened bottle should be used
within 2 months.

111033 - 001

How to use:

Shake well for 10 seconds
before each use to mix
the probiotic with the oil.

Use 5 drops daily.

Use: Five (5) drops.

Do not give directly from the bottle into
the mouth as this may reduce the quality
of the product.

The package includes a white desiccant
device for prolongation of shelf-life. It is
approved for use in direct contact with
food and should not be consumed.

To report an adverse event, call
(888) 485-2135.
