

Probiotic chewable tablets

BioGaia® Protectis® chewable tablets is a dietary supplement containing the patented probiotic *Limosilactobacillus reuteri* Protectis® (*L. reuteri* DSM 17938) that helps keep a natural balance in the gut.*

Because *L. reuteri* Protectis naturally colonizes humans it has a strong adaptation to persist and interact with humans. *L. reuteri* Protectis has been tested in more than 150 clinical trials and proven effective and safe for children & adults.*

Use: One (1) chewable tablet per day. Use regularly for gut health or when temporary stomach discomfort occurs.*

Storage: Store in a dry place, at room temperature. Keep out of reach of children.
