Probiotic capsules

BioGaia® Protectis® MUM is a dietary supplement containing the patented lactic acid bacterium *Limosilactobacillus*** *reuteri* Protectis® (*L. reuteri* DSM 17938) that helps the good microorganisms keep a natural balance in the gut.*

Because *L. reuteri* Protectis naturally colonizes humans it has a strong adaptation to persist and interact with humans. *L. reuteri* Protectis has been tested in more than 150 clinical trials and proven safe and effective for moms and babies.*

**Previously named *Lactobacillus*
