

THE HEALTHY HABIT CHART

The healthy habit chart is a simple and easy-to-use support tool. Just write down the date you take Replesta® and use the chart as a helpful reminder of when to take your next dose. Take Replesta exactly how your health care practitioner directs.

BioGaia USA

St. Louis, Missouri 63139
Phone: (877) 776-0101
Fax: (314) 664-4639

USE ONLY UNDER MEDICAL

SUPERVISION: Replesta is for the dietary management of vitamin D deficiency. Each chewable wafer contains 50,000 IU vitamin D₃.

DIRECTIONS FOR USE: Take 1 Replesta wafer once weekly (every seven days) for 8 weeks or as directed by your health care practitioner. After completing the 8 weeks, continue with a maintenance dose of vitamin D or as directed by your health care practitioner. Wafers must be chewed or crushed. Do not swallow whole wafers.

Do not exceed the recommended dose unless instructed to do so by your health care practitioner. Take exactly as directed.

See enclosed product insert for children's directions.

50,000 IU
