Suggested Usage: As a dietary supplement, adults may take **2 capsules** each day with food for 1 to 2 weeks or as directed by your healthcare professional.

The dose may then be increased to **4 capsules** each day with food for 2 to 4 months or as directed by your healthcare professional.

After 2 to 4 months, dosage may be lowered back down to **2 capsules** each day with food and may continue on that dosage as needed or as directed by your healthcare professional.

WARNING: If you are pregnant or nursing, or if you are taking prescription medications, consult your healthcare professional before using this supplement.

This product contains NO yeast, wheat, gluten, soy protein, milk/dairy, corn, sodium, sugar, starch, artificial coloring, preservatives or flavoring.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place.(59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
