

Kala Health Vitamin E **Ultra Tocopherol** contains all four tocopherols known in nature, and is particularly high dosed with 750 International Units (IU). The oils used are neither heated nor refined, but purified and concentrated by distillation under high vacuum and at low temperatures. As a result, this vitamin E formula is guaranteed to meet the highest EU quality standards, and supplies the four tocopherols in the purest and natural d-form.

Recommended dosage: Adults take 1 capsule per day, or as recommended. Best taken with (fatty) meals. Do not exceed the recommended daily dosage.

Storage: Store in dry place at room temperature, out of reach of young children.

Food Supplement, containing Vitamins. A food supplement should not be used as a substitute for a varied diet.
