

Kala Health vitamin E T8 **Vegan** provides all 8 forms of vitamin E that are known, including 4 tocopherols and 4 tocotrienols. The patented absorption system is a proprietary self-emulsifying delivery system, that increases the absorption of fat soluble phytonutrients. The oils used are neither heated nor refined, but purified and concentrated by distillation under high vacuum and at low temperatures. As a result, this vitamin E formula is guaranteed to meet the highest EU quality standards, and supplies the eight tocopherols and tocotrienols in the purest form.

Recommended dosage: Adults take 1 capsule per day, or as recommended. Best taken with (fatty) meals. Do not exceed the recommended dosage.

Storage: Store in a cool, dark, dry place out of reach of small children.

Food Supplement, containing Vitamins. A food supplement should not be used as a substitute for a varied diet.

Free of: yeast, sugar, starch, gluten, lactose, artificial flavor, color and preservatives.
