Cold or hot with it.*

Science Backed with 10+ Clinical Trials & 40+ Published Research Papers

Milk Derived from Grass Fed, Free Range Cattle

SUGGESTED USE

1 to 2 serving(s) daily to supplement with additional protein or as directed by a healthcare professional.

HOW TO MIX

Mix Genepro with anything you normally eat or drink without changing the taste or texture. Cook with it, bake with it, put it in anything to get your needed protein fix. Genepro is your protein solution!

SCIENTIFIC BACKING

****Increased absorption is backed by 10 Human Clinical Trials & Over 40 published research studies.**
Clinical trials and research Studies conducted by Plasma Nutrition (ioWhey)

CALCULATE THE PROTEIN

With the reduced molecular size of plasma treated protein It is very important to not consider the weight (11g) but the Equivalency of 33g of protein per serving to use in your Daily macro calculations.
