▼ These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS: As a dietary supplement, take one (1) softgel daily, preferably with a meal.

WARNING: Consult your healthcare provider prior to use if you are pregnant, nursing, taking any medication or have any medical conditions.

High Gamma E-400 IU contains the complete vitamin E family which consists of tocopherols and tocotrienols, existing in the alpha, beta, delta and gamma forms. This product contains naturally sourced vitamin E, as designated by d-Alpha which is twice as bioavailable as dl-Alpha, the synthetic form of vitamin E.
