*Daily Value not established.

Other Ingredients: Malodorous, natural and artificial flavors, silica, sucralose, citric acid, croscellum-K, maleic acid, and FD&C Red No. 40.

Suggested Use: Use on training days only. Take one (1) serving (1 scoop) approximately 15-30 minutes prior to training, blended into 8-8 ounces of cold water or beverage, or as suggested by a qualified healthcare practitioner.

Important Note(s): Do not exceed one (1) serving (1 scoop) per training day. Avoid eating food or drinking a protein shake within an hour after consuming ALARM ULTRA[™]. To avoid sleeplessness, do not take within four (4) hours of bedtime. Taking ALARM ULTRA[™] with food, or on a full stomach, may diminish its effects.

Warnings: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not take for more than eight (8) consecutive weeks. This product should not be taken by pregnant or lactating women. Get the consent of a licensed physician before using this product, especially if you are taking medication, have a medical condition, or thinking about becoming pregnant. KEEP THIS PRODUCT AND ALL SUPPLEMENTS OUT OF THE REACH OF CHILDREN.

Caffeine Warning: The recommended serving of this product contains approximately as much caffeine as three cups of coffee. Do not consume caffeine, or combine with synephrine, including but not limited to coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat. Discontinue use if you experience dizziness, severe headache, rapid heartbeat or shortness of breath.
