UNBEATABLE PERFORMANCE

Infinite Labs® Infinite Pro® 100% Whey Isolate is jam-packed with 25 grams of high quality whey protein isolate comprised of essential and non-essential amino acids.* Additionally, the low lactose and carbohydrate content make this product a must-have formula for individuals seeking a low fat protein source.*

Take advantage of Infinite Pro® 100% Whey Isolate to support optimal lean muscle development and improve exercise performance threshold.*

OPTIMAL ABSORPTION

Infinite Pro® 100% Whey Isolate is low in sugar and fat offering among the highest biological value (BV).* This means the protein is absorbed and utilized in a more efficient manner.* Protein consumption promotes muscle growth and development.* Due to its ability to be digested rapidly, it helps mitigate the catabolic state (muscle-wasting) that ensues post workout.*

SUPERIOR FORMULATION

Offering a higher amino acid profile, our Isolate has been enhanced with medium chain triglycerides, otherwise known as the "good fats" that aid in eliminating excess body fat, support heart health, suppress the appetite, and promote endurance during exercise – perfect for those counting carbs and reducing sugar intake.*

KEEP OUT OF REACH OF CHILDREN. STORE AT 59-86 °F (15-30 °C). PROTECT FROM LIGHT AND MOISTURE.

1 scoop | 8 oz water | 30 after exercise

SUGGESTED DIRECTIONS AND USE

Mix one scoop of **Infinite Pro® 100% Whey Isolate** with 8 ounces of water or beverage of choice; stir, blend or shake. Consume immediately.

Infinite Labs® Infinite Pro® 100% Whey Isolate can be used before and after workouts, as well as in between meals. Your specific nutritional requirements vary depending on gender, body weight, level of activity and exercise/training intensity. Infinite Labs® products are part of a healthy diet and hydration plan that, when combined with a balanced exercise program, may help contribute to a healthy body composition and recovery from exercise. **On training days**, take one serving within 30 minutes after training. **On non-training days,** take one serving in between meals. Use 1-3 servings (33 g per serving) per day as part of a well-balanced diet that includes whole foods and other protein sources. **Do not use this product as your sole source of nutrition.**
