

A natural prebiotic, Turkey Tail is one of the most-studied mushroom species, well-known for benefiting microflora in the gastro-intestinal ecosystem and for supporting a balanced immune response.*

DIRECTIONS: As a dietary supplement, take 2 capsules once per day. Can be taken with food or on an empty stomach or as recommended by your healthcare professional.

Caution: If you have a medical condition, are taking medications, or are pregnant or breastfeeding, consult a healthcare professional before using this product. Keep out of reach of children.
