GNC milestones™ Teen Vitapak® for Girls

GNC milestones™ Teen Vitapak® for Girls is a complete daily program designed to help growing teenage girls meet their nutritional needs.* Each convenient daily pack contains essential vitamins, minerals and other key ingredients to support overall health and wellness, along with specialized formulas to help strengthen bones and support skin and eye health.*

Teen Multivitamin for Girls – Specially designed to meet the increased nutritional needs of growing teen girls. This premium formula provides B-vitamins to help fuel carbohydrate metabolism and energy production, nutrients such as vitamin C and zinc to support natural resistance, vitamin E and selenium for antioxidant protection against harmful free radicals, and bone-strengthening ingredients such as calcium, vitamin D-3 and magnesium.* It also includes a Skin Support Blend with lutein for additional antioxidant support.*

Bone Support Complex – Provides a specialized blend of nutrients to support the development of strong teeth and bones including calcium, vitamin D-3 and magnesium.* Calcium is an important structural component of bone that helps maintain a healthy bone matrix.* Vitamin D-3 enhances calcium absorption, and both vitamin D-3 and magnesium provide support to help maintain healthy bones.*

GLA – An omega-6 fatty acid that helps maintain smooth, healthy-looking skin and supports healthy joint function.* In addition, GLA acts as a precursor to prostaglandins, hormone-like substances that help to regulate the body's processes, including hormonal balance.*

Concentrated Mini Fish Oil – This high-potency, 5 times purified fish oil provides 501 mg of omega-3 fatty acids EPA and DHA, which promote skin and joint health and support the body's natural anti-inflammatory response.* DHA is found in eye and brain cell membranes and is important for vision and brain cell function.*
