* This statement has not been evaluated by
the Food and Drug Administration. This
product is not intended to diagnose, treat,
cure, or prevent any disease.

This bottle is intentionally half-full and still contains 1 FL OZ of product, as labeled. This product is concentrated and naturally coagulates. Before you start using the product for the first time, we recommend that you dilute it by filling the empty space on top of the bottle with another oil of your choice, such as Pure Indian Foods Black Seed Oil. Should you choose to do so, please double your serving size to 2 mL.

SUGGESTED USE:

Take 1 mL in a small amount of water or juice, once a day or as directed.

Keep out of reach of children. May store at room temperature or in refrigerator. Do not use if outer seal is missing or damaged. Before taking any herbal supplement, please consult with your physician if you are pregnant, lactating, or have a medical condition.
