Organic Moringa Powder (*Moringa oleifera*).....½ tsp**

**Daily Value Not Established

SUGGESTED USE: Take ½ tsp mixed with warm water, or as directed. Fully water-soluble.

INGREDIENT: Organic Moringa Powder.

Moringa is native to northwestern India. It's known as the miracle or horseradish tree. The dried leaf powder is slightly bitter and a little grassy; it can be added to any food or beverage to increase the nutritional value. Extremely low heat is used during the entire process of converting the leaves to powder. This ensures the preservation of delicate nutrients.

This product has been lab tested for heavy metals, and it complies with U.S. federal and state laws. Keep out of reach of children. Before taking any herbal supplement, please consult with your physician if you are pregnant, lactating, or have a medical condition.
