**HYPER ABSORB ALPHA-GPC** by Revolution Science is an alpha-glycerophosphocholine supplement enhanced with BioPerine® (a black pepper extract) for increased absorption & bioavailability.  
Alpha-GPC is a natural choline compound made in the body. As a supplement it is used for its memory, mental acuity, and cognitive-promoting properties. It has also been shown to enhance strength/ power output, support the body's natural production of human growth hormone (HGH), and increase fat oxidation.

**SUGGESTED USE:** Start with 1 capsule daily with food, or as directed by a healthcare professional. Gradually increase to 2 capsules as needed. For best results take early in the day, or 45 minutes before exercise.

**CAUTION:** Consult physician if pregnant/nursing, under 18, taking medication, or have a medical condition. Keep out of reach of children. Do not use if safety seal is broken or missing. Store in a cool, dry place.
