

Health Ranger Select Electrolyte Drops bring you catalyst elements and crystalline compounds such as magnesium, sodium and potassium chloride -- sourced from Utah's Great Salt Lake and solar-distilled with no additives of any kind.

Suggested Use: Use approx. 1/2 tsp per 32 oz (1 liter) of water. Just use the dropper to add electrolyte drops to water, juice, a post-workout smoothie, or practically anything else for a pure shot of the electrolytes that help fuel your body's biochemistry.
