

DGL (Deglycyrrhizinated Licorice Root) is a form of licorice specially processed to have glycyrrhizin removed to avoid potential side effects. Licorice Root is a rejuvenating herb that has traditionally been used to treat stomach ulcers and sore throats.* Licorice Root supports gastrointestinal functions and helps repair stomach lining.* This is due to the anti-inflammatory and immune-boosting properties of licorice root.* Licorice Root may also help to alleviate stress.*

CAUTION: Not intended for use by children under the age of 18. If you are pregnant, nursing or taking any medications consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. **KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL, DRY PLACE.**
