

Suggested Usage: Take 2 capsules daily between meals.

Norepinephrine and dopamine are key neurotransmitters for the maintenance of alertness and mental acuity and for promoting a feeling of general well-being.* These two neurotransmitters are produced in the body from the amino acid precursors L-tyrosine and L-phenylalanine.* This conversion process also requires vitamins C and B-6 as cofactors.* NOW® True Focus™ combines these important nutrients with other ingredients like *Ginkgo biloba* and DMAE to complement this formula.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Phenylketonurics (PKU): This product contains L-phenylalanine. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.
