Osteo-Guard® provides calcium and phosphate from young bovine bone (as microcrystalline hydroxyapatite), trace minerals, bone matrix proteins, amino acids and glycosaminoglycans in their natural forms and physiologic ratios found in whole bone.

Suggested Usage: As a dietary supplement, adults take **1 tablet daily with food or as directed by your healthcare professional.**

WARNING: This product contains Vitamin K, which interfere with the prescription drugs Coumadin and Warfarin. Do not take this if taking either of these drugs.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
