30 - 0.47 oz (13.3 g) Packets
Net weight: 14.1 oz (399 g)

Isotonix ESSENTIALS®

An Isotonic-Capable
DIETARY
SUPPLEMENT

DIRECTIONS FOR USE

1

Pour contents of packet into a cup.

2

Add 8 fl oz of water into the cup and stir.

As a dietary supplement, take once daily or as directed by your healthcare provider. Maximum absorption occurs when taken on an empty stomach. This product is isotonic only if the specified amount of water and powder are used.

This product contains no added wheat, soy, yeast, gluten, salt, preservatives or milk.

WARNING: If you are currently using Warfarin (Coumadin) or other blood-thinning, anti-platelet/anti-coagulant medications, consult your healthcare provider before using this product. If you are currently using digoxin, verapamil, diltiazem, calciparine or thiazide diuretics, do not use this product. Certain medical conditions such as primary hyperparathyroidism, sarcoidosis, tuberculosis and lymphoma can increase the risk of hypocalcemia in response to vitamin D. If you have any of these specific conditions, do not use this product. If you are currently using any prescription drugs, have an ongoing medical condition or are pregnant or breastfeeding, consult your healthcare provider before using this product.

KEEP OUT OF REACH OF CHILDREN.

Store in a cool, dry place. Do not use if packet has been opened.
