

Suggested Usage: Take 1 capsule daily at bedtime on an empty stomach.

Promote optimal joint health and mobility with Advanced UC-II® Joint Relief, featuring UC-II®, a patented form of collagen with undenatured type II collagen.* Undenatured type II collagen is the principal structural protein in cartilage that gives it tensile strength and toughness.* It works with the immune system to support healthy joints by ensuring an adequate supply of collagen that's easily used by the body.* Human clinical studies show that just one 40 mg capsule of UC-II® per day can help promote joint function, flexibility and comfort.* We've included hyaluronic acid and boron for their complementary roles in overall joint health.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish or shellfish ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
