

Suggested Usage: Take 4 capsules daily, preferably in divided doses, with food.

Microcrystalline Hydroxyapatite (MCHA) is a compound that normally makes up the crystalline matrix of bone and teeth and is the substance that gives them their rigidity.* MCHA contains highly absorbable calcium and phosphorus, which are the major mineral components of bone.* NOW® Bone Strength™ is a comprehensive bone support product with MCHA.* It also provides magnesium and other important minerals, as well as vitamins C and D to aid in the synthesis and maintenance of bone tissue.* NOW® Microcrystalline Hydroxyapatite (MCHA) is derived exclusively from Australian cattle.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.

This bottle is made from 100% PCR
(post-consumer recycled) resin.
