

Suggested Usage: Mix 2 level teaspoons in at least 10 oz. of cold water or clear liquid daily, preferably late in the day. This product may increase the temperature of liquids upon contact; therefore, the recommended serving **MUST** be mixed into at least 10 oz. of cold liquid to neutralize this reaction prior to ingestion.

NOW® Magnesium Inositol Relax Powder combines magnesium and inositol, two nutrients that support relaxation and a normal mood.* Magnesium is a mineral that is critical for metabolism, energy production, nerve impulse transmission and more.* Inositol is a member of the B-complex family that's found in all cell membranes, especially in the brain and central nervous system, where it plays an important role in neurotransmitter signaling.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: This product must be dissolved into at least 10 oz. of cold water or clear liquid before consuming. Do not breathe the powder and avoid contact with skin, eyes, and clothing. For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Do not eat freshness packet enclosed.
