

Suggested Usage: Take 2 capsules daily with food. *Candida albicans* is a naturally occurring yeast that typically resides in the gut as part of the normal gut flora. Candida Support is a combination of traditional herbal ingredients (pau d'arco, black walnut and oregano oil), biotin (a B-complex vitamin) and caprylic acid (a naturally occurring fatty acid derived from plant oils) that may help to support a healthy balance of intestinal bacteria.* Although Candida Support is not meant to clear *Candida albicans* from the gut, it can help to support a healthy balance of intestinal flora.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. This product contains Biotin which may interfere with some blood test results. Go to nowfoods.com/biotinlab for details.
