

Premium Grade Omega 3*

Omega 3 is an essential fatty acid; essential, because the body requires it but cannot produce it on its own. Zahler Omega 3 Platinum+D™ contains a robust dose of Vitamin D3 plus Omega 3 fatty acids derived from Tuna fish to support brain & heart health as well as general health and overall wellbeing.*

You may need additional supplements to support a healthy diet; consult your nutritionist for a formula that is right for you or contact us at 877-ASK-ZAHLER (877-275-9245) or ask@zahlers.com.
