

Advanced Magnesium Supplement

Magnesium is a naturally occurring mineral that helps maintain many functions in the body, notably supporting the muscles and nerves. Magnesium may also increase water in the intestines, thereby helping with occasional constipation.*

You may need additional supplements to support a healthy diet; consult your nutritionist for a formula that is right for you or contact us at 877-ASK-ZAHLER (877-275-9245) or ask@zahlers.com.

Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your healthcare practitioner.
