

412

Contains the most important mineral salt elements necessary for cell health and survival. These 4 naturally occurring mineral elements are perfectly proportioned to work synergistically. They support the vital increase in oxygenation and alkalinity and decreased acidity in the body's lymphatic, circulatory, gastro-intestinal and musculoskeletal systems.*

Supports:

- pH balanced, alkaline blood*
- Energy & immunity*
- Muscle health & function (cramps)*
- Joint health & function*
- Athletic performance*
- Lymphatic detoxification*
- Digestion & gut health*
- Bone strength*
- Mineral restoration in the bones, muscles, heart & all organs*
- Immediate & long-term remineralization and replenishment of the main carbonate body salts: sodium, potassium, calcium, and magnesium*
