

Directions: Take 1 capsule with each meal to support intestinal friendly bacteria flora.*

The Problem: Consuming meat, carbonated drinks, coffee, sugar & medication can destroy vital flora & deteriorate your GI tract. Aging & stress may destroy flora too.*

The Solution: PROBIOTIC pHLORA delivers 7 strains of thermally stable (NO refrigeration required), colonizing (multiplying not cultured), friendly flora bacteria to support the GI system, immune system, antibodies, detoxification of the skin & systems, & symbiosis between harmful (parasitic) & friendly gut bacteria.*

Consult your doctor prior to taking this or any other dietary supplement. Do not use if safety seal is broken. Keep out of reach of children. Not recommended for children under 2 years of age.
