

Suggested Usage: Take 1 lozenge daily with a fat-containing meal. Hold in mouth until soft and then chew.

Coenzyme Q10 (CoQ10) is a vitamin-like compound that plays a central role in cellular energy production.* CoQ10 is found throughout the body, but is especially concentrated in the heart, liver, and kidney and production has been found to decline with age.* CoQ10 works with vitamin E as a potent free radical scavenger in cell membranes, as well as within blood vessels.* Years of scientific research have shown that CoQ10 helps to maintain a healthy heart and vascular system.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

NOW® CoQ10 is pharmaceutical grade. NOW® CoQ10 products contain only the all-trans form of CoQ10 produced by fermentation.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.

This bottle is made from 100% PCR (post-consumer recycled) resin.
