

Suggested Usage: Take 6 capsules 3 times daily with water or juice. For maintenance use, take 6 capsules once a day. Drink plenty of purified water.

NOW® Modified Citrus Pectin (MCP) is a patented, low molecular weight citrus pectin that can pass through the intestinal barrier so it can work systemically.* MCP can bind to and facilitate the excretion of low levels of heavy metals from mild, but common environmental exposure.* Studies indicate that MCP promotes healthy urinary excretion of heavy metals from typical everyday exposures without altering the retention of other nutritional minerals, including calcium, magnesium, iron, copper and selenium.* In addition, MCP has been shown to support healthy cellular growth and reproduction.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
