

Suggested Usage: Take 2 softgels twice daily with food.

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

This fish oil concentrate is molecularly distilled and manufactured under strict quality control standards. It is tested to be free of potentially harmful levels of contaminants such as PCBs, dioxins, mercury and other heavy metals. This product utilizes a fish gelatin softgel providing an alternative to bovine and porcine gelatin softgels.

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Not manufactured with yeast, wheat, gluten, soy, corn, milk, egg, shellfish or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
