

Suggested Usage: Take 2 capsules daily.

Moringa (*Moringa oleifera*) is a tree native to India, Pakistan and Bangladesh that has been used as an important nutrient dense food source. Moringa has been studied for its health properties, which are attributed to its numerous naturally occurring bioactive components, including phenolic acids, flavonoids, isothiocyanates, tannins and saponins.* NOW® uses only non-GMO, organic moringa leaf.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Do not take if pregnant/nursing. Consult physician if taking medication or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
