

Suggested Usage: Take 1 capsule daily. Resveratrol is a polyphenol naturally found in the skin of red grapes, certain berries, and other plants. Recent research has shown that resveratrol can help to support healthy cardiovascular function.* Resveratrol is best known for its cellular anti-aging properties, as well as for its ability to promote a healthy response to biological stress.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Resveratrol may interact with many pharmaceutical medications (especially NSAIDs, including diclofenac). Consult physician if pregnant/nursing, taking medication, or have a medical condition before using this product. This product may cause digestive upset in some sensitive individuals. If you experience any gastrointestinal discomfort after using this product, discontinue use. Keep out of reach of children.

Natural color variation may occur in this product.

This bottle is made from 100% PCR (post-consumer recycled) resin.
