

Suggested Usage: Take 2 capsules with or before each meal.

NOW® Optimal Digestive System offers a blend of enzymes that will aid in the digestion of most foods, including beans and cruciferous vegetables.* The vegetarian enzymes in this product have been tested in a controlled laboratory study using a digestive model by the Netherlands Organization for Applied Scientific Research to demonstrate their activity throughout the entire pH range of the digestive system.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with milk, egg, fish, shellfish, tree nut or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
