ABDOMINAL PAIN & BLOATING

BASED ON SCIENTIFIC & TRADITIONAL EVIDENCE

DIGESTION & DETOX

60 TABLETS

AUST L 221590

SWISSE ULTIBOOST LIVER DETOX is a premium quality formula containing herbs to support liver function and provide relief from symptoms of indigestion, abdominal pain and bloating. Formulated based on scientific and traditional evidence, it can be taken as part of a healthy detox or following rich food or drinks.

Detoxification: The liver is responsible for eliminating toxins by playing a central role in the metabolism of substances such as alcohol, helping with their removal from the body. Formulated with milk thistle to support natural liver cleansing and detoxification processes, to maintain general health and wellbeing. Milk thistle is traditionally used in Western herbal medicine as a liver tonic to nourish, strengthen and protect the liver.

Abdominal Pain & Bloating Relief: Formulated with turmeric, traditionally used in Western herbal medicine to relieve symptoms of indigestion such as flatulence, digestive discomfort and abdominal bloating. Globe artichoke helps relieve nausea, vomiting and abdominal pain.

Antioxidant Support: Antioxidants in turmeric helps decrease free radical damage to body cells.

DIRECTIONS FOR USE - ADULT DOSAGE:

Two tablets daily, during or immediately after a meal, or as directed by a healthcare professional.

Do not use if pregnant or likely to become pregnant. If symptoms persist, talk to your health professional. Store below 30°C in a cool, dry place. Do not use if cap seal is broken.

EACH TABLET CONTAINS:

Globe artichoke (Cynara scolymus extract 20 mg) equiv. fresh leaf 1 g; **Milk thistle** (Silybum marianum extract 35.71 mg) equiv. dry fruit 2.5 g; **Turmeric** (Curcuma longa extract 75 mg) equiv. dry rhizome 1.5 g. Contains soya beans and sulfites.

No added lactose, gluten, yeast, egg or artificial flavours. Suitable for vegetarians.

Swisse is a carbon neutral company. Please recycle.
