

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 3 times daily with food. For intensive use, take up to 5 capsules daily, under the supervision of your healthcare practitioner.

HOW IT WORKS: ChromeMate® is a unique niacin-bound Chromium complex that has demonstrated exceptional bioavailability.* Chromium is a mineral that is required for proper insulin activity, which is critical for healthy glucose metabolism.* Clinical studies have found that ChromeMate® can support normal cholesterol metabolism and it can help to maintain a healthy body weight when used with a sensible diet and exercise.*

CAUTIONS/INTERACTIONS: Chromium may interact with thyroid hormone replacement and diabetes medications. Some medications, such as corticosteroids and acid-blocking drugs may affect chromium status. If you are taking any medications, are diabetic, have liver or kidney disease, or if you are pregnant/lactating, consult your healthcare practitioner before using this product.
