Suggested Use

Ages 4 and up, slowly dissolve one tablet in mouth and swallow. Can be taken anytime, but bedtime is most effective. If using an oral rinse, wait 30 minutes after rinsing before taking Dentalflora™. Do not eat or drink for 30 minutes after taking Dentalflora™. For best results, use with Dentalcidin® Oral Care System.

Warning: Consult your physician before using any supplement, especially if you are pregnant, nursing, have a medical condition, or are taking medication. Discontinue use should adverse reactions occur. Keep out of reach of children and pets.

Store in a cool, dry place.

5 BILLION CFU
at time of manufacture.
3 BILLION CFU at expiration.
