

Suggested Usage: Take 1 capsule 2 times daily with the two largest meals of the day.

REFRIGERATE TO MAINTAIN POTENCY.

NOW® Heart Health Probiotic features *Lactobacillus reuteri* LRC™, the first clinically validated heart health probiotic.* LRC™ has been shown to support cholesterol levels already within the healthy range by helping to maintain healthy cholesterol production in the liver and by supporting the body's normal cholesterol elimination pathways.* LRC™ can also promote a balanced immune system response and normal CRP (C-reactive protein) levels, which can further support cardiovascular health.* This strain has also been shown to improve vitamin D levels.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Consult physician if pregnant/nursing, taking medication (especially immune-suppressing drugs), or have a medical condition (especially if immune system is compromised). Keep out of reach of children.
