Bio Pro Bio-Active Peptides™

DIRECTIONS FOR USE: As a dietary supplement, mix 2-3 servings of **Bio-Gro™** twice daily in liquid and thoroughly agitate or blend (clumping likely if stirred in plain water), or mix in soft food (yogurt, oatmeal, etc.). **Bio-Gro** is an unflavored powder that can be taken anytime with or without food. Follow daily usage chart for optimal results.

Bio-Pro Bio-Active Peptides (BAP's) are cleaved protein fragments extracted from the highest grade bovine colostrums. The first ever to utilize a highly concentrated, patented form of micro-fraction BAP's, **Bio-Gro™** signals the body to amplify the natural protein synthesis process, helping you develop lean muscle more efficiently and recover faster from intense workouts. ^Δ
