

**Suggested Usage:** Take 1 softgel 1 to 2 times daily with food.

Coenzyme Q10 (CoQ10) is a vitamin-like compound that plays a central role in cellular energy production.\* CoQ10 is found throughout the body, but is especially concentrated in the heart, liver, and kidney and production has been found to decline with age. CoQ10 functions as a potent free radical scavenger in cell membranes, as well as within blood vessels.\* Years of scientific research have shown that CoQ10 helps to maintain a healthy heart and vascular system.\*
